

Corporations & the 1%: **PAY YOUR TAXES!**

Do your part to fund our communities – just like the rest of us!

TAX DAY MARCH & RALLY

Tuesday, April 17

Rally 5:30pm, Dewey Square
(across from South Station)

March 6:00pm
(through the financial district)

April 17 is the deadline to file **our** income taxes – but for some Boston-area corporations Tax Day never comes. Despite record profits, rampant corporate tax dodging is bankrupting our communities, forcing mass layoffs, slashing vital services and closing schools and community centers.

Join us as we take to the streets on Tax Day to demand major corporations and the 1% pay their fair share!
