

No Cuts! No Hikes! No Layoffs!

We DEMAND
a Comprehensive, Affordable, and Sustainable
Transportation Plan
that works for the 99%

March 14th – Lunch hour Flash Mob
12:30 at the Transportation Building, 10 Park Plaza

April 4th – People's Assembly
in the State House. 3pm Hearing, 5pm Rally
Come join us after work! THINK WISCONSIN...

As the MBTA's Public Hearings come to an end, the MBTA and MassDOT boards are meeting to decide how to squeeze more money out of the T-riding 99%, while the banks' profits keep flowing. Tell the MBTA and state legislators we want real solutions, and we won't accept higher fares, less service, layoffs, or more pollution!

**The banks get bailed out,
we get sold out!**
