

# March for Homeless Families!

In light of the new restrictive DHCD eligibility requirements for family shelter, nearly 70% of homeless families that apply for shelter are denied! And families are forced to stay in dangerous places “not fit for human habitation.”

Join us as we march against these new regulations and deliver a symbolic 51-A to DHCD!

@ 12:00pm

We will meet at the State House and march together to DHCD at 100 Cambridge Street.
